Resources For Improving Our Children's Quality of Life.

NOVEMBER 2016 PHONE COLLECTION

BENEFITING LA'S YOUTH EXPERIENCING HOMELESSNESS

1. **November: Collect used cell phones (chargers also welcome) during month of November**
2. **During or at end of November collection: email Denise at dmccain@ourchildrenla.org**
 - a) **If you have a lot of phones, we will deliver you a prepaid, postage paid box. Just place the phones, seal the box and mail!**
 - b) **If you have your own box, email Denise with the number of phones collected and request a prepaid postage sticker. Either OCLA or Human I-T will email you a prepaid postage sticker for your box. Just seal your box, place the label on and mail!**
 - c) **If only have a few (less than 20), that is OK! In the past we could not accept small numbers of phones, but we have solved this with our partner! Our technology recycling company (Wireless Alliance) will provide postage prepaid and if they want us to consolidate small collections into larger boxes, we will come and pick up your box, consolidate with others and mail it!**

Please Collect Old Cell Phones in November!

All proceeds will be used to purchase phones

for LA's Homeless Youth!
